The Japan Room in association with The Japan Society Lodge Room No.11,

The Freemasons' Hall, Great Queen Street, London WC2

Tuesday, 29 May, 2018 at 6.30PM...www.thejapanroom.org.uk

Due to exciting progress being made in the world of blockchain and cryptocurrencies, The Japan Room will be shifting its focus to the arena of cryptocurrency trading. In 2017, The Japan Society hosted a series of fintech events to introduce the basic ideas behind concepts such as AI, blockchain and cryptocurrencies. The Japan Room now takes this a step further to introduce the trading of cryptocurrencies, which has links to Japan from Homma's Japanese candlestick charting to Satoshi Nakamoto and beyond. No tickets will be issued. The event is Free for Japan Society members and £9 for non-members.

Host: Pauline Chakmakjian, Visit Kyoto Ambassador
